TERMS OF REFERENCE

1. BACKGROUND

The United Nations Office on Drugs and Crime (UNODC) Country Office for Pakistan (COPAK) is tasked with assisting Pakistan through its recently approved Country Programme (CP) III, 2022 – 25 with a focus on illicit trafficking and border management, criminal justice and drug demand reduction and HIV/AIDS. As part of the CP III, there is significant strategic planning and coordination required with the Government to implement its Criminal Justice and legal reforms Programme (Sub-Programme II).

The Criminal Justice and Legal Reforms Programme works as a strategic partner and advisor to the Government of Pakistan, supporting implementation of reforms across the entire chain of criminal justice institutions. The objective is to promote evidence-based programming to enhance the effectiveness, coordination and capacity of the criminal justice institutions towards administering fair, efficient and transparent access to justice and rule of law for the citizens. The Programme has supported implementation of Rule of Law Roadmaps in the provinces of Sindh and Balochistan through setting up individual Delivery Units and Technical Working Groups. A gender-sensitive approach cuts across the criminal justice reforms led by SP-II to empower the vulnerable and the less privileged groups through awareness of legal rights and access to justice.

The Programme is implementing a large scale '**Promoting the Rule of Law and Enhancing the Criminal Justice System in Balochistan and at the Federal Level**' with the support of the European Union effective from January 2021 to 2025. The program has specific objectives that aim to:

1. support reform processes to ensure delivery of people-centered justice;
2. enhance access to justice for all, particularly women and less privileged groups; and
3. improve service delivery of the security sector in line with constitutional safeguards and international standards.

The UNODC interventions in Balochistan and Federal level will contribute to the Project in collaboration with the other UN agencies. Where there is synergy all agencies will work in close collaboration, compliment and in support of each other's contributions
