Inventory of Chemical and Hazardous Waste and GHS Plan
National Consultant – Special Programme Project

The Special Programme is part of the sub-programme 5 on chemicals and wastes in UNEP's Programme of Work, to support institutional strengthening at the national level to enhance the implementation of the Basel, Rotterdam and Stockholm conventions, the Minamata Convention and the Strategic Approach to International Chemicals Management (SAICM). It specifically addresses that countries increasingly have the necessary institutional capacity and policy instruments to manage chemicals and waste soundly including the implementation of related provisions in the Multilateral Environmental Agreements (MEAs).

The objective of the Project is to support country-driven institutional strengthening at the national level, in the context of an integrated approach to address the financing of the sound management of chemicals and wastes, taking into account the national development strategies, plans and priorities of each country, to increase sustainable public institutional capacity for the sound management of chemicals and wastes throughout their life cycle. Institutional strengthening under the Special Programme will facilitate and enable the implementation of the Basel, Rotterdam and Stockholm conventions, the Minamata Convention and the Strategic Approach to International Chemicals Management (SAICM).

The first session of the United Nations Environment Assembly (UNEA-1), in June 2014, in resolution 1/5 on Chemicals and Waste, further adopted the terms of reference for a Special Programme, to be funded by voluntary contributions, to support institutional strengthening at the national level to enhance the implementation of the Basel, Rotterdam and Stockholm conventions, the Minamata Convention on Mercury and the Strategic Approach to International Chemicals Management (SAICM). The Executive Board of the Special Programme, at its fourth meeting held from 29 to 31 January 2019 in Geneva, Switzerland, approved the application submitted by Pakistan.
