1. General

The Sustainable Tourism for Livelihood Recovery project – a joint project of the Nepal Tourism Board (NTB) and UNDP – aims to contribute to the revival of the tourism sector by supporting the livelihoods recovery of the most affected workers, to retain the critical workforce associated with this sector, as well as enhancing the capacity of the NTB and other relevant stakeholders to accelerate recovery efforts. The project will provide immediate livelihood opportunities/short-term employment for those who
have already lost their jobs or income due to the crisis. It will also initiate the revival of
tourism by creating long-term jobs and livelihood opportunities; developing human
resources capacity; supporting tourism-based enterprises; strengthening data,
information management, and digitalization; and supporting the formulation of a
tourism recovery strategy. Aligned with sustainable tourism concepts, the project
activities will be oriented toward promoting a green economy. Considering the need
for immediate livelihood opportunities, the project will focus on providing short-term
employment opportunities to vulnerable communities whose livelihood is dependent
on tourism. In parallel, the project will also initiate activities to support the long-term
revival of the tourism sector by creating sustainable jobs and livelihood opportunities
in partnership with the private sector; developing human resource capacity; supporting
the creation of tourism-based enterprises; strengthening sector-related data and
information management and digitalization; and articulating a comprehensive tourism
recovery strategy. Aligned with sustainable tourism concepts, project activities will be
oriented toward promoting a green economy.

NTB/STLRP is soliciting proposal from interested firms/companies to provide the
service of: Providing technical support to ensure the successful implementation of annual

8. Proposal form
The Proposer shall structure the operational and technical part of its Proposal as follows:

(a) Management plan
This section should provide corporate orientation to include the year and state/country of incorporation and a brief description of the Proposer’s present activities. It should focus on services related to the Proposal.

This section should also describe the organisational unit(s) that will become responsible for the contract, and the general management approach towards a project of this kind. The Proposer should comment on its experience in similar projects and identify the person(s) representing the Proposer in any future dealing with the procuring NTB/STLRP entity.

(b) Resource plan
This should fully explain the Proposer’s resources in terms of personnel (Team Leader and Experts) and facilities necessary for the performance of this requirement. It should describe the Proposer’s current capabilities/facilities and any plans for their expansion.

(c) Proposed methodology
This section should demonstrate the Proposer’s responsiveness to the specification by identifying the specific components proposed, addressing the requirements, as specified, point by point; providing a detailed description of the essential performance characteristics proposed warranty; and demonstrating how the proposed methodology meets or exceeds the specifications.

The operational and technical part of the Proposal should not contain any financial pricing information whatsoever on the services offered. Financial information shall be separated and only contained in the appropriate Price Schedules.
It is mandatory that the Proposer’s Proposal numbering system corresponds with the numbering system used in the body of this RFP. All references to descriptive material and brochures should be included in the appropriate response paragraph, though material/documents themselves may be provided as annexes to the Proposal/response.

Information which the Proposer considers proprietary, if any, should be clearly marked “proprietary” next to the relevant part of the text and it will then be treated as such accordingly.

9. Proposal prices
The Proposer shall indicate on an appropriate Price Schedule, an example of which is contained in these Solicitation Documents, the prices of services it proposes to supply under the contract.

10. Proposal currencies
All prices shall be quoted in NPR (Nepalese Rupees).

11. Period of validity of proposal
Proposals shall remain valid for ninety (90) days after the date of Proposal submission prescribed by the NTB/STLRP, pursuant to the deadline clause. A Proposal valid for a shorter period may be rejected by the NTB/STLRP on the grounds that it is non-responsive.

In exceptional circumstances, the procuring NTB/STLRP entity may solicit the Proposer’s consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. A Proposer granting the request will not be required nor permitted to modify its Proposal.

12. Format and signing of proposal
Proposal shall be typed or written in indelible ink and shall be signed by the Proposer or a person or persons duly authorised to bind the Proposer to the contract.

A Proposal shall contain no interlineations, erasures, or overwriting except, as necessary to correct errors made by the Proposer, in which case such corrections shall be initialled by the person or persons signing the Proposal.

13. Payment
NTB/STLRP shall make payments to the Contractor after acceptance by NTB/STLRP of the invoices submitted by the contractor, upon achievement of the corresponding milestones.

D. Submission of Proposal
14. Sealing and marking of proposal
(a) The outer envelope shall be:

Addressed to:
National Project Coordinator
Sustainable Tourism for Livelihood Recovery (STLR) Project
Nepal Tourism Board, Bhrikutimandap, Kathmandu
P.O. Box: 11018/Tel: +977 1 4256909

Marked with Task: –
(Formation of sustainable tourism club in schools)

(b) The proposal shall contain the information specified in Clause 8 (Proposal form) above. The inner envelope shall include the price schedule duly identified as such.

15. Joint Venture, Consortium or Association
If the Proposer is a group of legal entities that will form or have formed a joint venture, consortium, or association at the time of the submission of the Proposal, they shall confirm in their Proposal that:
(i) they have designated one party to act as a lead entity, duly vested with authority to legally bind the members of the joint venture jointly and severally, and this shall be duly evidenced by a duly notarized Agreement among the legal entities, which shall be submitted along with the Proposal; and
(ii) If they are awarded the contract, the contract shall be entered into by and between NTB/STLRP and the designated lead entity, who shall be acting for and on behalf of all the member entities comprising the joint venture.

After the Proposal has been submitted to NTB/STLRP, the lead entity identified to represent the joint venture shall not be altered without the prior written consent of NTB/STLRP.

Furthermore, neither the lead entity nor the member entities of the joint venture can:
(a) Submit another proposal, either in its own capacity; nor
(b) As a lead entity or a member entity for another joint venture submitting another Proposal.

The description of the organization of the joint venture/consortium/association must clearly define the expected role of each of the entity in the joint venture in delivering the requirements of the RFP, both in the Proposal and the Joint Venture Agreement. All entities that comprise the joint venture shall be subject to the eligibility and qualification assessment by NTB/STLRP.
Where a joint venture is presenting its track record and experience in a similar undertaking as those required in the RFP, it should present such information in the following manner:

a) Those that were undertaken together by the joint venture; and
b) Those that were undertaken by the individual entities of the joint venture expected to be involved in the performance of the services defined in the RFP.

In the joint venture, consortium or association, the organization strengths and or eligibility criteria shall be counted from the lead organization only. Failure to present eligibility criteria by the lead organization will subject to disqualification of the proposal.

Previous contracts completed by individual experts working privately but who are permanently or were temporarily associated with any of the member firms cannot be claimed as the experience of the joint venture or those of its members but should only be claimed by the individual experts themselves in their presentation of their individual credentials.

If a joint venture's Proposal is determined by NTB/STLRP as the most responsive Proposal that offers the best value for money, NTB/STLRP shall award the contract to the joint venture, in the name of its designated lead entity. The lead entity shall sign the contract for and on behalf of all other member entities.

16. Deadline for submission of proposal
Proposals must be received by the procuring entity NTB/STLRP at the address specified under clause Sealing and marking of Proposals no later than 27 March 2024, 1700 hrs Nepal Standard Time (NST). If the deadline for proposal submission falls under public holiday, then the next working day will be added up.

The procuring NTB/STLRP entity may, at its own discretion extend this deadline for the submission of Proposals by amending the solicitation documents in accordance with clause Amendments of Solicitation Documents, in which case all rights and obligations of the procuring entity NTB/STLRP and Proposers previously subject to the deadline will thereafter be subject to the deadline as extended.

17. Late Proposal
Any Proposal received by the procuring entity NTB/STLRP after the deadline for submission of proposals, pursuant to clause Deadline for the submission of proposals, will be rejected.

18. Modification and withdrawal of Proposal
The Proposer may withdraw its Proposal after the Proposal's submission, provided that written notice of the withdrawal is received by the procuring entity NTB/STLRP prior to the deadline prescribed for submission of Proposal.
No Proposal may be modified subsequent to the deadline for submission of proposals.

No Proposal may be withdrawn in the interval between the deadline for submission of proposal and the expiration of the period of proposal validity specified by the Proposer on the Proposal Submission Form.

E. Opening and Evaluation of Proposal

19. Opening of proposal
The procuring entity will open the Proposal in the presence of a committee formed by the Head of the procuring entity NTB/STLRP.

20. Clarification of proposal
To assist in the examination, evaluation and comparison of Proposal, the Purchaser may at its discretion, ask the Proposer for clarification of its Proposal. The request for clarification and the response shall be in writing and no change in price or substance of the Proposal shall be sought, offered, or permitted.

21. Preliminary examination
The Purchaser will examine the Proposal to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the Proposals are generally in order.

Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the Proposer does not accept the correction of errors, its Proposal will be rejected. If there is a discrepancy between words and figures the amount in words will prevail.

Prior to the detailed evaluation, the Purchaser will determine the substantial responsiveness of each Proposal to the Request for Proposals (RFP). For purposes of these Clauses, a substantially responsive Proposal is one which conforms to all the terms and conditions of the RFP without material deviations. The Purchaser’s determination of a Proposal’s responsiveness is based on the contents of the Proposal itself without recourse to extrinsic evidence.

A Proposal determined as not substantially responsive will be rejected by the Purchaser and may not subsequently be made responsive by the Proposer by correction of the non-conformity.

22. Evaluation and comparison of proposal
A two-stage procedure is utilised in evaluating the proposals, with evaluation of the technical proposal being completed prior to any financial proposal being opened and compared. The financial proposal of the Proposal will be opened only
for submissions that passed the minimum technical score of 70% (490 points) of the obtainable score of 700 points in the evaluation of the technical proposals.

The technical proposal is evaluated on the basis of its responsiveness to the Term of Reference (TOR) and RFP.

In the Second Stage, the price proposal of all Proposers that have attained minimum 70% score in the technical evaluation will be compared. The points for the Financial Proposal will be allocated as per the following formula:

\[
\frac{\text{Lowest Bid Offered}^*}{\text{Bid of the Firm/Proposer}} \times 300
\]

* "Lowest Bid Offered" refers to the lowest price offered by Proposers scoring at least 70% points in technical evaluation.

**Total Score (100%) = Technical Evaluation (70%) + Financial Evaluation (30%)**

**Maximum Total Score=1000**

Criteria for contract award shall be "Highest Combined Score (based on the 70% technical offer and 30% price weight distribution)"

**Technical Evaluation Criteria**

II. Background Information

Nepal Tourism Board and UNDP hands together in implementing the Sustainable Tourism for Livelihood Project recently. The Sustainable Tourism for Livelihood Recovery project—a joint project of the Nepal Tourism Board (NTB) and UNDP—aims to contribute to the revival of the tourism sector by supporting the livelihoods recovery of the most affected workers, to retain the critical workforce associated with this sector, as well as enhancing the capacity of the NTB and other relevant stakeholders to accelerate recovery efforts. The project will provide immediate livelihood opportunities/short-term employment for those who have already lost their jobs or income due to the crisis. It will also initiate the revival of tourism by creating long-term jobs and livelihood opportunities; developing human resources capacity; supporting tourism-based enterprises; strengthening data, information management, and digitalization; and supporting the formulation of a tourism recovery strategy. Aligned with sustainable tourism concepts, the project activities will be oriented toward promoting a green economy. Considering the need for immediate livelihood opportunities, the project will focus on providing short-term employment opportunities to vulnerable communities whose livelihood is dependent on tourism. In parallel, the project will also initiate activities to support the long-term revival of the tourism sector by creating sustainable jobs and livelihood opportunities in partnership with the private sector; developing human resource capacity; supporting the creation of tourism-based enterprises; strengthening sector-related data and information management and digitalization; and
articulating a comprehensive tourism recovery strategy. Aligned with sustainable tourism concepts, project activities will be oriented toward promoting a green economy.

The NTB is mandated to develop and market Nepal as an attractive tourist destination. The NTB is promoting Nepal in the domestic and international markets and is also working for the development of tourism products. To capitalize on Nepal's full tourism potential, the capacity of NTB can be strengthened in various ways. The purpose of the assignment is to achieve the results of the activity "Policy Intervention on Domestic Tourism Promotion / Domestic Tourism Awareness & Promotion Activities including international conferences. STL RP/NTB is planning to form sustainable tourism clubs in at least 100 schools across the country to engage youth and communities at all levels to promote sustainable tourism in Nepal. In collaboration with schools to impart tourism education to students, teachers, and school management committees. Formed national sustainable tourism club in at least 100 schools and implemented the sustainable tourism activities via clubs in these selected schools. The club may also target undergraduate university students to make them aware the youths about the tourism potential to make Nepal a model tourism destination for both domestic and international tourists, where they can enjoy all social, natural, cultural, and spiritual offerings of Nepal without threatening them while simultaneously contributing to the Nepali Economy.

III. Objectives of the Assignment

The purpose of the assignment is to provide technical support to ensure the successful implementation of annual activities of established 130 National Sustainable tourism club, and formation of the 'National Sustainable Tourism Club in Schools' targeting students studying from grade 6 to grade 10 in both private and public schools across the country to promote sustainable tourism concept, practices and initiatives in schools and communities. The following are the specific objectives.

- To provide technical support to ensure the successful implementation of annual activities of established 130 National Sustainable tourism club.
- To make students more aware of tourism and promote sustainable tourism initiatives from schools.
- To raise awareness among students about sustainable tourism practices and make students learn the importance of tourism.
- To provide a platform for students to learn about the tourism industry and its impact on local communities and the importance of responsible tourism practices.
- To promote responsible tourism practices among students and the wider community where students can learn about sustainable tourism practices and share their knowledge with others, such as family and friends, to promote responsible tourism.
- To encourage sustainable tourism clubs to collaborate with other local organizations and businesses to promote sustainable tourism practices which helps students understand the importance of working together to achieve common goals.
- To provide students with opportunities to explore potential career paths in the tourism industry.

Methodology/Scope of work

The selected firm and or organization involved in this assignment will have the liberty to design an appropriate method for achieving the above results. However, the following works are anticipated:
**Exploration and selection of school:** Exploring the potential school and approaching the formation of sustainable tourism clubs in school. Similarly, mapping schools in a province, approaching schools for the clubs via email and telephone and sending a letter. In addition, contract signing is a major responsibility in the exploration and selection of schools. Initiate dialogue with interested educational institutions and implement the Sustainable Tourism Clubs in the target schools and colleges. Once outreach efforts have taken place, interested educational institutions will be given details on how they may establish the club.

**Formation of national sustainable tourism club in school:** The firm should form at least 20 national sustainable tourism clubs in schools spread over all provinces in coordination with STLRP/NTB including the interest of the school within tourism priority areas. Sustainable clubs should form in both the community and private sector and target students from grades 6 to 10. Students will be able to gain membership of the club through their respective educational institutions. The firm should facilitate clubs to encompass a wide range of activities centered around promoting sustainable tourism. Among these activities, student tourism speech competitions, inter-school competitions, and acting as school ambassadors.

**Capacity building of National Sustainable Tourism Club: Development of capacity building programme for already established National Sustainable Tourism Club.**

Provide technical support on the implementation of the programme activities as per club annual Calander. Support provided on planning,organising, coordination and content preparation on different activities of the club. Provide guidance on integrating sustainable practices into the activity. Provide logistical support and assistance as needed.

The selected firm or organization should provide a capacity-building program to the clubs like conducting sessions on story writing, blog preparation, etc, essay writing, etc. In addition, the consultancy firm will purchase the required visibility items, tools, equipment including stationery and supplies. STLR project unit also provided technical assistance based on the requirements. The following are the key priority capacity building programme.

Annex VI

GENERAL TERMS AND CONDITIONS IN EXECUTION OF THE TASK

1. Force Majeure
Without prejudice to their rights the NTB/STLRP and the party shall not be held responsible nor suffer any financial loss should the performance of the party be delayed or prevented by an event of Force Majeure, which shall include, but not limited to strikes, riots, civil commotion, fire accident or any other incident beyond the control of either party hereto which neither party was aware of or could have foreseen at the time of the signing of this contract. In event of an occurrence of the Force Majeure, either party shall notify the other of the event and during such event the rights and obligations of either party shall automatically be suspended.

2. Arbitration
Any dispute arising out of or in connection with this task not settled by mutual understanding shall be submitted to arbitration to three arbitrators. Each party shall appoint on arbitrator and the two arbitrators thus appointed shall agree on the third one. The arbitrators shall rule on the costs which may be divided between the parties. The decision rendered in the arbitration shall constitute final adjudication of the dispute.

3. Termination
Either party may terminate this contract at any time by giving the other party fourteen (14) days’ notice in writing of the intention to do so. In the event of such termination, the party shall be compensated for the actual amount of work performed, upon valid justification for termination, by NTB/STLRP on a pro rata basis.

4. Law Applicable
This contract shall be governed by the law of Government of Nepal and project guidelines.

5. Independent Relationship
Nothing contained in the contract shall be construed as establishing or creating between NTB/STLRP and the party relationship of master and servant or principal and agent, it being understood that the party is an independent person vis-a-vis NTB/STLRP.

6. Party’s General Responsibilities
a. The party shall carry out work under the contract with due diligence and efficiency and in conformity with the highest standards of professional and ethical competence and integrity.

b. The party shall be responsible for the professional and technical work carried out by him/her in the implementation of this task.
7. **Workmen’s compensation and other insurance**
The party shall make his/her own arrangements regarding insurance for medical expenses and for accident, death, and permanent disability for the period of the task. All costs involved will be borne by the party.

8. **Source of Instruction**
The party shall neither seek nor accept instructions from any authority other than NTB/STLRP and UNDP’s authorized agent in connection with the work under the contract.

9. **Prohibition on conflicting activities**
The party shall ensure that he/she will not directly/indirectly engage in any activity that would conflict with those of NTB/STLRP in respect of this project.

10. **Officials not to benefit**
The party warrants that no UNDP or NTB/STLRP official has been or will be admitted by him/her to any direct/indirect benefit arising from this task or award thereof.

11. **Assignment**
The party shall not assign, transfer, pledge or make other disposition of the task or any other parts thereof or rights, claims or obligations under this task, without prior written approval of NTB/STLRP.

12. **Records, Accounts, Information and Audit**
a. The party shall maintain accurate and systematic records and accounts in respect of the work to be performed under this task.

b. The party shall furnish, compile or make available at all times to NTB/STLRP and UNDP any records or information, oral or written, which NTB/STLRP may reasonably request in respect of the work to be performed under this task.

c. The party shall allow NTB/STLRP and UNDP or its authorized agents to inspect and audit such records or information upon reasonable notice.

13. **Language**
Unless otherwise specified in the task, English language shall be used by the party in all written communications to NTB/STLRP with respect to the services rendered and with respect to all documents procured or prepared pertaining to such services.

14. **Confidential Nature of Documents**
All maps, drawings, photographs, mosaics, plans, reports, recommendations, estimates, documents, and all other data compiled by or received by the party under this task be the property of NTB/STLRP, shall be treated by him/her as confidential and shall be delivered only to the duly authorized officials on completion of work under this grant. Under no circumstances shall the contents of such documents or data be made known to any unauthorized person without written approval of NTB/STLRP and
UNDP. Subject to the provision of this article, the party may retain a copy of the document(s) produced by him/her for his and universities record.

15. Amendments
The terms and conditions of this task may amended only in writing signed by both parties to this task or their duly authorized representatives.

16. Obligation to inform NTB/STLRP of changes in conditions
The party shall promptly and fully notify NTB/STLRP in writing of any conditions which interferes, or threatens to interfere, with successful carrying out of the services under this task. Such notice shall not however relieve the party of his/her obligations to continue to provide services under this task. On receipt of such notice, NTB/STLRP shall take such action as in its sole discretion it considers to be appropriate or necessary under the circumstances.

17. Taxation
The party shall be liable for any tax levied on the fee paid as per this task. Income tax on the remuneration and allowances paid to the party will be deducted at source.

18. Right of NTB/STLRP
In case of failure by the party to fulfil its obligations under the terms and conditions of execution of task, including but not limited to failure to obtain necessary or to make delivery of all or part of the services by the agreed delivery date or dates, NTB/STLRP may, after giving the party reasonable notice to perform and without prejudice to any other rights or remedies, exercise one or more of the following rights:

a. Procure all or part of the services from other sources, in which event NTB/STLRP may hold the party responsible for any excess cost occasioned thereby.

b. Refuse to accept delivery of all or part of the services.

c. Cancel the contract without any liability for termination charges or any other liability of any kind of NTB/STLRP.

19. Late Delivery
Without limiting any other rights or obligations of the party hereunder, if the party will be unable to deliver the services by the delivery date(s) stipulated in the ToR, the party shall (i) immediately consult with NTB/STLRP to determine the most expeditious means for delivering the services and (ii) use an expedited means of delivery, at the party’s cost (unless the delay is due to Force Majeure), if reasonably so requested by NTB/STLRP.

20. Settlement of Disputes
Amicable Settlement
The Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of, the task or the breach, termination, or invalidity thereof.
