Reference: REQUEST FOR PROPOSAL: 015/07/RFP – Study Tour to Czech Republic to Learn Experience in Small Hydro Power Development (Kyrgyzstan)

Subject: Tender Clarification

Dear Sir/ Madam,

Please note that in line with the annexed price offer template the no. of participants of the study tour is 6 - participants are to be provided with full board and accommodation) + 2 extra UNDP participants (for UNDP participants we expect the contractor to book the same hotel as for the other participants, however UNDP's costs will be fully covered by the sending organization).

Furthermore, please disregard two references to „Kazakhstan” in the text of the tender, the study tour is only for Kyrgyz counterparts and the reference has been included by mistake. Thank you. We are looking forward to receiving your bids.

All other terms and conditions remain the same.

Thank you and best regards,
